Introducing Our

LUNCHTIME TEST DRIVE PROGRAM

We will bring the vehicle to your office!

**IT'S THE EASIEST WAY TO
BUY OR LEASE A VEHICLE!**

- 1). Call Schaumburg Audi Toll Free at 866-847-1769 or e-mail James Iverson at jiverson@schaumburgaudi.com to discuss the vehicle you want to test drive.
- 2). If you are unsure of what you want to test drive, visit schaumburgaudi.com from your home or office and view our inventory of new Audi models or fully inspected Certified Pre-Owned models.
- 3). Choose a day and time that is convenient for you to take your test drive. We will bring the vehicle to your office so you can take a thorough test drive and make sure it's the one you want.
- 4). If you have a vehicle you want to trade, we can have it appraised during your lunchtime test drive and calculate the trade difference between your old vehicle and the new vehicle you want.
- 5). If you require financing, we can take a credit application and arrange for credit approval during your appointment.
- 6). After the test drive, you decide if you want to buy. There's never any pressure or hard sell tactics. We will arrange a convenient time for you to visit Schaumburg Audi to complete the paperwork and take delivery of your new vehicle.
